Canal Loop Trail | Blue ◇ | 11 mi

The Canal Loop Trail is a fast single track trail for mountain bikers with challenging hills on the Kentucky Lake portion of the trail. The trail crosses multiple creeks, old homesites, and forest roads. Canal Loop Trail offers opportunities to access both lakes' shorelines.

Canal Loop Trail A Connector | Yellow ◇

The A Connector is a .5-mile trail, but when combined with a portion of the Canal Loop, forms a 1.4-mile loop that starts and finishes at Kentucky Lake Scenic Drive.

Canal Loop Trail B Connector | Yellow ◇

The B Connector is a .5-mile trail that can have loops made from either the south or the north. The trail intersects Woodlands Trace.

Canal Loop Trail C Connector | Yellow ◇

The C Connector is an interior .6-mile trail that takes users through stream sides and old homesites. The C Connector can only be accessed by traveling the Canal Loop Trail.

Canal Loop Trail D | Yellow ◇

The D Connector is .8 miles long and is accessed from the North Welcome Station. This trail grants access to the Canal Loop Trail, North/South Trail, and the North End Paved Trail.

Water is not available on trails.

Springs are not reliable. Bring water or filter lake water. Potable water is available at North Welcome Station and Hillman Ferry Campground.

Trail Rules

1. Campfires permitted in previously used sites except during high fire danger. Dead or down wood may be used for fuel. Attend fire at all times and completely extinguish before leaving.
2. Respect the Resource
 - Camp at least 50 feet from marked trail. Bury all human waste 200 feet from marked trail.
 - Leave plants, flowers, and historic items behind for others to enjoy.
 - Do not harass, feed, or approach wildlife.
 - Use low-impact techniques. Please stay on trails to prevent soil erosion, even through wet areas.
